

EpIC - EpiGene3Sys meets INC-Spain to ChromDesign the Genome

(Paraninfo auditorium, Av. de la Ilustración, 4P, 18016 Granada, Spain)

OCTOBER 2022

	Monday 17	Tuesday 18	Wednesday 19	Thursday 20
9:00				
9:30		Yang Shi	Ali Shilatifard	
10:00	Organizers Time	Epigenetics & Disease	Chromatin regulation	
10:30		Break	Break	
11:00				
11:30				
12:00				Visit Alhambra
12:30	Registration			
13:00	Lunch	Lunch	Lunch	
13:30				Organizers Lunch
14:00	Opening remarks		David S. Kong	
14:30	Magda Bienko	Epigenetics & Development		
15:00			Open session	
15:30	Genome organization			
16:00		Break		
16:30		ERC info round table	Break	
17:00	Break			
17:30		Flash talks	Research impact in academia & beyond	
18:00	Career development workshop		Social media for Scientists	
18:30	New publishing schemes and their impact on research assessment			
19:00		Poster Session/Science-Art Exhibition + Mixers	Closing remarks	
19:30				
20:00			Final dinner	

ChromDesign: MSCA interdisciplinary training network, Grant agreement 813327
EpiGene3Sys: CNRS International Research Network
INC-Spain: Spanish network of the International Nucleome Consortium funded by the Science Ministry of Spain.
